# **RIDGEWAY FARM CE ACADEMY**

## **SEND / INCLUSION POLICY**

### **1. Definition of Special Educational Needs and Disability (SEND)**

A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.

A child of compulsory school age or a young person has a learning difficulty or disability if he or she:

- has a significantly greater difficulty in learning than the majority of others of the same age.
- has a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions (SEND Code of Practice January 15).

### **2. Aims**

At Ridgeway Farm CE Academy we believe in providing every possible opportunity to develop the full potential of all children. Each child should receive a broad, balanced and differentiated curriculum, including extra-curricular activities where appropriate and full access to the National Curriculum. All children are valued and their self-esteem promoted. We work in close partnership with parents/carers who play an active and valued role in their child's education. Our goal is that all children with special educational needs participate in activities compatible with the efficient education of other children and the efficient use of resources.

### **3. Objectives and Success Criteria**

The objectives of the policy together with the success criteria in each case are:

1. To identify and monitor pupils' individual needs at the earliest possible stage so that appropriate provision can be made and their attainment is raised.

***Pupils' individual needs are identified through formative, summative and diagnostic assessments as well as liaison with Early Year's settings or previous schools (e.g. Wiltshire Graduated Response to SEND Support GRSS).***

2. To plan an effective curriculum to meet the needs of children with special educational needs and ensure that the targets set are specific, measurable, achievable, realistic and time related (SMART).

***Class Teachers plan the curriculum to meet all needs and a differentiated or supported curriculum is put in place when needed as soon as possible when children are not making progress. Class Teachers and the SENCO work together to describe in our Provision Map what provision we make for pupils with SEND in our school.***

3. To monitor and evaluate the progress made from any interventions put in place.

***Baseline Assessments are carried out prior to the commencement of any intervention to assist in measuring the progress made. This is recorded by the Class Teacher onto the 'Vulnerable Pupil Tracking Sheet' (Appendix 3) and this is monitored and evaluated by the SENCO.***

4. To work in close partnership with, and involve, parents/carers of pupils who have special educational needs.

***Parents are involved at every stage of a child's education and regular meetings allow parents to understand about and participate in planning for their child's education.***

5. To involve pupils and parents/carers in setting their targets and monitoring their progress regularly.

***All target sheets and plans are shared and written with parents/carers and children.***

6. To ensure that the self-esteem of pupils having special educational needs are positive by acknowledging the progress they have made.

***All pupils have high self-esteem demonstrated through pupils' responses to discussion and questionnaires.***

7. To ensure that all staff involved with pupils are aware of the procedures for identifying their needs, supporting and teaching them.

***SENCO monitors the understanding and demonstration of all staff through discussion, observations, and questionnaires. Teachers use the support materials supplied by the SENCO and understand what to do at each stage of a child's education.***

8. To work in close partnership, where appropriate, with outside agencies to support the needs and provision for children who have special educational needs.

***Target sheets and 'My Plans' include strategies recommended by outside agencies and reviews undertaken demonstrate progress towards targets.***

#### **4. ROLES AND RESPONSIBILITIES**

Miss Sadie Herbert is the link governor for Special Educational Needs and Disability.

The Governing Body will:

- Do its best to ensure that the necessary provision is made for any child who has special educational needs
- Ensure that where the "responsible person" – the Principal, or the SEN Governor – has been informed by the LA that a child has special educational needs, those needs are made known to all who are likely to teach them;
- Ensure that teachers in the school are aware of the importance of identifying and providing for those children who have special educational needs;
- Consult with the LA and the governing bodies of other schools when it seems to be necessary or desirable in the interests of co-ordinated special educational provision in the area as a whole;
- Ensure that a child with special educational needs joins in the activities of the school together with children who do not have special educational needs, so far as is reasonably practical and compatible with the child receiving the special educational provision their learning needs call for, the efficient education of the children with whom they are educated, and the efficient use of resources.

The Governors play an important role in ensuring that:

- They are fully involved in developing and monitoring the school's SEND policy;
- They are up-to-date and knowledgeable about the school's SEND provision, including how funding, equipment and personnel resources are deployed;
- SEND provision is an integral part of the School Development Plan if a priority;
- The quality of SEND provision is continually monitored.

The Equality Act 2010 sets out the legal obligations that schools, early years providers, post-16 institutions, local authorities and others have towards disabled children and young people:

- They must not directly or indirectly discriminate against, harass or victimise disabled children and young people.
- They must make reasonable adjustments, including the provision of auxiliary aids and services, to ensure that disabled children and young people are not at a substantial disadvantage compared with their peers. This duty is anticipatory – it requires thought to be given in advance to what disabled children and young people might require and what adjustments might need to be made to prevent that disadvantage.

### **Role of the SEN Governor**

- to keep up to date and be informed of all relevant documentation and legislation
- liaise with the SENCO to be informed about the school's policy, practice and provision
- by arrangement, and within the school's agreed policy, visit classrooms to gain a better understanding of the provision
- monitor, on behalf of the governing body, successes, use of resources, and staff training needs where gaps are identified
- maintain good communication between SENCO/Principal and Governing Body on provision for SEND
- ensure parents are kept fully informed of the provision – reports, newsletters, school prospectus & website
- report back to Governing Body decisions which have implications for SEND provision
- question any Governing Body decisions which have implications for SEND
- join SEND working parties on behalf of the Governing Body
- attend training sessions when available – school or LA or other
- arrange training for whole of governing body on its own or in cluster of schools
- with agreement of the Governing Body, make representation on its behalf to the local authority

### **Role of the SENCO**

The SENCO is Mrs. Katy Mann and she is responsible for coordinating the provision of special educational needs throughout the school. This will involve:

- Overseeing the day to day operation of the special education needs and disability policy
- Co-ordinating provision for children with SEND
- Liaising with the Designated Teacher for Looked After Children where a looked after pupil has SEND
- Identifying and monitoring progress and attainment for those children with SEND
- Ensuring the procedures for identification and assessment are observed
- Advising on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- Liaising with and supporting fellow teachers and Teaching Assistants and advising on the graduated approach to providing SEND support
- Overseeing the records of all children with SEND and monitoring their progress
- Overseeing and maintaining specific resources for special educational needs
- In conjunction with the Class Teacher, liaising with parents of children with SEND
- Liaising with outside agencies, including other educational settings
- Being a key point of contact with external agencies, especially the local authority and its support services
- Liaising with potential next providers of education to ensure a pupil and their parents are informed about options and a smooth transition is planned working with the Principal and school governors to ensure that the school meets its responsibilities under the Equality Act (2010) with regard to reasonable adjustments and access arrangements
- Contributing to the in-service training of staff
- Monitoring, evaluating and reporting on provision for children with SEND to the Governing Body in conjunction with the SEN Governor
- Coordinating and attending termly review meetings with class teachers, teaching assistants (TA) and parents if required
- Attending appropriate in-service and external training
- Keeping abreast of significant development/research for all areas of SEND
- Organising assessments as appropriate, e.g.: Phonological Skills, Math's Screening
- Managing the timetables and undertaking annual performance management reviews for teaching assistants
- Monitoring the quality of teaching and standards of pupils' achievements including setting targets for improvement
- Ensuring the website and Local Offer is up to date and shared with parents

## **Role of the Principal**

The Principal is Mrs. C. Luce and she will determine the strategic development of SEND policy and provision in the school, alongside the Local board and the SENCO. This will include:

- Allocating roles and responsibilities to staff so that special needs are met.
- Ensuring that the SENCO has sufficient time and resources to fulfil their role.
- Liaising with the SENCO, staff, support services, parents and pupils.
- Reporting to the Local Board and the Trust SIO on the needs of the SEND children in their care and how they are being met.
- Delegating the organization of review meetings to the SENCO.
- Ensuring that the needs of SEND children are met within the school.

## **The class teacher is responsible for:**

- Know which pupils they teach are on the SEND Register and at what stage and which have Education Health and Care plans (EHCP'S). For pupils with EHCPs to be aware of the details of the plan and what they needed to do to support its implementation
- Identify the SEND of individual pupils that they teach, assessing their needs, planning, implementing and evaluating specific interventions or adjustments to address them using the approach set out in the SEND Code of Practice. (SEND Code of Practice 2015 paragraphs 6.44-6.58)
- Maintain the SEND file for their class to record this process of 'Assess, Plan, Do and Review' for all pupils identified as having SEND as well as those with EHCPs. (Vulnerable Children folder within class and GRSS on staff share)
- Ensure Teaching Assistants (TAs) are supporting pupils in their class, as directed in accordance with their needs and any EHCPs
- Writing My Special Target sheets for the pupils he/she teaches in collaboration with the class Teaching Assistant/SENCO;
- Ensure that the Principal, SENCO and other colleagues are aware of children's needs
- Provide learning experiences which are appropriate to the needs of the child
- Teaching pupils with SEND – 'quality first teaching' and planning any support needed;
- Attending reviews and writing update reports for the review or progress meeting
- Attending appropriate in-service training;
- Informing parents if a pupil is having support and carrying out regular pupil progress meetings with parents and children.

## **The Teaching Assistant is responsible for:**

- Carry out activities and learning programmes planned by the class teacher and the SENCO
- Supervising, supporting and assisting children, on an individual basis or in small groups, throughout the primary age range, encompassing **all** areas of the curriculum including games and swimming if requested;
- Preparing resources;
- Attending appropriate in-service training;
- Keeping a record of activities/relevant observations etc. and to share these with the class teacher;
- Meeting regularly with class teacher to review and plan activities and assess pupil progress;
- Attending meetings with external agencies, e.g. Speech Therapist/Educational Psychologist with the SENCO you may be asked to write a report for a meeting;
- Reading reports provided by external agencies;
- Following activities suggested by external agencies after discussion with the SENCO/class teacher;
- Attending termly review / progress meetings and contributing to them;
- Encouraging the social, emotional and educational development of the pupils, in co-operation with the teacher, by offering appropriate attention, relationships, care and interest in the children and their activities;

## **5. Arrangements for co-ordinating provision for pupils with Special Educational Needs and Disability**

The needs of the majority of pupils will be met in the classroom through quality first teaching. Teachers are expected to make every effort to ensure that pupils with special educational needs are fully involved in the life of the class, such as participating in assemblies and the numeracy/literacy hours. For some pupils it will be necessary for them to spend time in small group work or being withdrawn from the classroom for specific, timed activities related to the needs identified in their individual education plans. This may be delivered by the class teacher, SENCO or teaching assistant and will complement ordinary classroom work so that the skills, knowledge and understanding will be transferred to the classroom. The class teacher in conjunction with the SENCO will oversee this provision to ensure it meets the objective of the policy.

The SENCO will oversee this provision to ensure it meets the objective of this policy.

- A. All children are entitled to a broad-based curriculum as set out in the National Curriculum.
- B. Each child should be treated as an individual accepting his/her strength and areas for development.
- C. We recognise that each child's achievements are of equal value.
- D. It is essential that differentiation of work be taken into consideration when planning work. Children should always be given work to match their ability.
- E. Parents/carers of children with SEND should be involved and supported and should be encouraged to support their children positively.
- F. The class teacher should keep accurate and up-to-date records of the child's progress.
- G. Effective use should be made of outside agencies as and when they are required to meet the needs of the child.
- H. The SENCO will give teachers advice when setting individual targets. They will inform teachers of the resources available in school to help teachers meet these children's needs.
- I. Class Teachers will inform the SENCO of any child who causes concerns.
- J. When discussing the children with Special Educational Needs with others within the school and relevant outside agencies, confidentiality must be considered at all times.
- K. It is the delegated SEND Governor's responsibility to oversee the SEND policy is in place and is operated effectively.

Please see the attached documents at the end of this policy – SEND Teacher Guidance Pack 2018 and also our SEN Information Report which is available on our school website.

The Wiltshire Local Offer is also a service available to help parents, carers and young people to find out about the support and services available in their local area and how to access them. Wiltshire's Local Offer can be accessed through their website [www.wiltshirelocaloffer.org.uk](http://www.wiltshirelocaloffer.org.uk) and there is a link available on the school website. For those people who do not have internet access, it is also available at local libraries and selected children's centres. The Local Offer includes information on:

- Education
- Preparing for adulthood
- Health and social care
- SEND service
- Leisure
- Travel
- Support and guidance

## **6. A Graduated Approach to Special Educational Support**

The new Special Educational Needs Code of Practice (2014) recommends a graduated approach, initially using classroom and school resources, before bringing in specialist expertise to address specific difficulties that a child is experiencing. This means that children will receive different levels and amounts of support depending upon their individual requirements.

The Code does not assume that there are hard and fast categories of special educational need, but recognises that children's needs and requirements may fall within or across four broad areas:

- Communication and Interaction
- Cognition and Learning
- Social, Mental and Emotional Health
- Sensory and/or Physical

### **6.1 SEN Support**

The previous categories of School Action and School Action Plus were replaced by a single category following the introduction of the new Code of Practice from September 2014. Children in this category receive specialist intervention where provision goes beyond the differentiated approaches.

If there is a concern that a child is failing to make adequate progress and that the attainment gap is widening then the school will follow the 'Assess, Plan, Do, Review' process.

In-class support from teaching assistants is targeted within the timetable to ensure the maximum amount of allocated curriculum time is accessed thus ensuring pupil progress. Consistency of support across year groups is taken into account. All teaching assistants offer support under the direction of the teacher and SENCO.

A child would move to SEN Support if it is necessary to make provision which is additional to, or different from, that which is already provided, for example, if the child:

- Makes little or no progress even when teaching approaches are targeted to their particular needs;
- Shows signs of difficulty in developing skills in literacy or mathematics;
- Shows persistent signs of emotional or behavioural difficulties, which are not addressed through the behaviour and discipline approaches used in school;
- Has physical or sensory problems, and despite specialist equipment being provided still makes little or no progress;
- Has communication and/or interaction difficulties which adversely affect the child's progress.

### **6.2 Education, Health and Care Plan (EHCP).**

Where, despite the school's best endeavours, the child still makes little or no progress in the areas targeted and their level of need is either so complex or so severe as to require further action, the school will consult with parents/guardians and the child and a My Support Plan will be put in place. This document will provide a clear picture of what is working and not working for this child along with any other additional support or intervention that has been put in place to date. The Support Plan can be amended and added to regularly and can support a child from 0-25. An approach to the local authority through the SEND lead worker can then be made to request an Education, Health and Care Plan needs assessment, with the My Support Plan as evidence. This may or may not result in the issue of an Education, Health and Care Plan (EHCP). The progress of children with an EHC plan is reviewed annually with parents/guardians, the child, outside agencies, the SENCO and any other appropriate member of staff. This review monitors the progress against the objectives of the EHCP and any actions to support them. This meeting has a child centred approach and involves all parties equally in the discussion that takes place.

## **7. Resources for pupils with SEND**

Most of the resources used by children having special educational needs are available within the classroom. Money will be spent on additional resources and staffing costs to manage the support for special educational needs and meet the objectives of this policy. Any requests for further additional resources should be made to the SENCO. Resources, both consumable and non-consumable, will be purchased following recommendations from Subject Leaders and other external agencies.

Provision mapping is undertaken by the SENCO / SEND Governor annually identifying pupils requiring provision and resources. Some pupils may be allocated a named pupil allowance by the LA if they have a 'Statutory My Plan'. The SENCO will liaise with parents to discuss the use of this funding so that it best meets the needs of the child.

## **8. Admission arrangements**

We strive to be a fully inclusive school. All children will be treated according to their needs in line with the school's policy for equality of opportunity. No child will be denied admission because of his/her characteristics.

We uphold the principle of positive inclusion and where a pupil has a particular need, the governors will make reasonable adjustments to ensure that the child's needs are fully met. Our school building is fully accessible. If a child is transferring into the school with a Statutory My Plan (EHCP), or has been receiving extra support from LA centrally funded resources in their previous school, the continuation of this support will be negotiated with the appropriate member of the LA to ensure that their needs continue to be met.

## **9. Specialist facilities/expertise**

There are no specialist facilities or a Specialist Learning Centre in the school.

The SENCO attends termly Cluster Group meetings and also keeps up-to-date with new initiatives at county and national level.

All the TA's have had SEN training and some have achieved national accredited qualifications (e.g. HLTA). Mrs Serena Thompson, an experienced and highly qualified Teaching Assistant is our Emotional Literacy Support Assistant (ELSA) and works closely with the SENCO.

## **10. Identification and Assessment Arrangements and Review Procedures**

In accordance with the Children and Families Act 2014, Ridgeway Farm CE Academy aims to identify SEND at the earliest point and then make effective provision that improves the long term outcomes for the child. Children with SEND are identified through the following:

- The attainment and progress of each child is continually monitored and termly progress review meetings with the senior leadership team take place. Those pupils not making expected progress are identified and a cycle of Assess-Plan-Do-Review is used.
- Class teachers are constantly aware of their children's learning. If they observe a child is making less than expected progress, given their age and individual circumstances, they will inform the SENCO and seek to identify the cause. This can be characterised by progress which:
  - Is significantly slower than that of their peers, starting from the same baseline.
  - Fails to match or better the child's previous pace of progress.
  - Fails to close the attainment gap between the child and their peers.

Where possible we will try to meet every child's needs within the classroom through ensuring that our planning, teaching and approaches meet the needs of the majority of the children in our school. However, where through careful identification

and assessment we and/or the parents/carers determine that a child is not making adequate progress, the class teacher will consult the SENCO. They, in conjunction with the child and parents/carers, will review the strategies and approaches that are currently being used and the way these might be developed. Where this review leads to the conclusion that the child needs help over and above that which is normally available within the class or school we will help the child through individual targets and the implementation of our Provision Map, highlighting the entitlement to support that the child will have. Please see our SEN Information Report and teacher guidance details which explains these clearly.

## **11. Arrangements for SEN in-service training**

Through the monitoring and evaluating of our provision, as well as performance management, the SENCO/Principal will identify any particular professional development needs of the staff. This will, where appropriate, be linked closely to the school's development plan. All teachers and TA's will continue to undertake school based and external training. Staff undertaking external training will disseminate the information at Staff Meetings. The effectiveness of training will be monitored and evaluated by the SENCO and information provided during the annual evaluation of the school's overall SEND provision.

## **12. Arrangements for partnership with parents/carers/children**

Parents/carers are important partners in the effective working relationship with the school in raising their child's attainment. They are fully involved in the identification, assessment and decision-making process in their school. Parents/carers contribution to their child's education is valued highly by the staff of the school. Parents/carers are encouraged to involve their child in the decision-making processes, including recording children's views and implementing and reviewing My Special Target sheets and My Plans. The school will also update parents/carers with relevant information.

We show sensitivity, honesty and mutual respect in encouraging children to share concerns, discuss strategies and see themselves as equal partners in the school. All children are involved in making decisions, where possible, as soon as they start at the school. The ways in which we encourage them to participate reflects their emerging maturity. Confident young children, who know their own opinions will be valued and who can practice making choices, will be more secure and effective children during their school years. In this school we encourage children to participate in their learning. We encourage them to have a voice in deciding the priorities for our School Development Plan through the School Council. We encourage them to take ownership of their learning targets by discussing their targets and what they can do to improve. For children with SEND this includes discussing the strategies for success in their targets and My Plans. We encourage them to take part in reviewing their progress and in setting new goals and challenges.

Parents/carers are informed by the SENCO and the Class Teacher prior to special educational provision being made for their child. Parents/carers have many opportunities and are encouraged to discuss their child's progress informally and at designated parent interviews throughout the year. Parents/carers of children that have My Special Target sheets will also be invited to give input and attend regular review meetings. Parents/carers of a child with a Statutory My Plan (EHCP) will also be invited to contribute and attend Annual Review Meetings and attend meetings with external agencies.

Parents/carers are asked to contribute their views to their child's Target Sheet and can request access to the information in their child's SEN file. Parents'/carers' contribution to their child's education is highly valued by the staff of the school and they are encouraged to involve their child in the decision making processes such as recording pupils' views and in implementing and reviewing their My Special Targets (IEP).

The Local Authority, Wiltshire Council, has a legal duty to make arrangements to provide information and advice on SEND matters to parents/carers of children with SEN. This is known as parent partnership services. See the Wiltshire Council website or our school website for further details on the Wiltshire Local Offer. The Local Authority must also make arrangements for avoiding or resolving disagreements that parents/carers have either with them or with the School about SEND matters.

Parents/carers can make a request to the LA for a Statutory My Plan and also have a right to appeal if the LA refuse the School's request for a statutory assessment.

Additional information on the Code of Practice for SEND is available on the DfES website – [www.dfes.gov.uk](http://www.dfes.gov.uk), however, parents/carers with specific concerns can contact the SENCO or visit the school website which has lots of SEND information.

### **13. Links with other Mainstream/Special Schools**

Links are maintained to ensure a smooth transfer on school entry through liaison and visits to local Early Years' settings. Pre-school children are invited to visit the school for induction visits in the term before they start school. If necessary the school liaises with other agencies at this stage.

Children with SEN who transfer from other schools are supported through their induction to the school by the class teacher, SENCO and by classroom buddies to ensure that they have a smooth transition.

All children experience secondary induction programmes in Year 6. SEN children are discussed at length with the secondary SENCO's during the Summer Term. It is the responsibility of the SENCO to ensure that the school has been informed of the child's needs and that records have been sent.

When SEN children leave mid Key Stage, it is the responsibility of the SENCO to ensure that the receiving school is informed and records sent. Summaries of these records are kept on file for 18 months.

There have been no links formed with Special Schools in Wiltshire primarily because none of the school's SEN pupils have transferred to Special Schools and also because of their geographical location. However, should the need arise, then links would be formed as appropriate.

### **14. Links with other agencies**

Close links are maintained with the LA support services in order to ensure that the school makes appropriate provision for children with special educational needs. Where it is necessary to contact outside agencies, the SENCO will make the necessary arrangements and discuss with parents/carers accordingly. These agencies normally include the Local Authority team including the Educational Psychologist, Cognition and Learning team, Physical and Sensory Impairment Support Service team, Speech and Language Therapist, Behaviour Support team, social services, health and LA personnel. Any or all of these agencies may be involved in the construction, delivery or review of individual targets set to ensure children's attainment is raised and progress made.

The Local Education SENs Team (LET) provides a full range of services to support children's learning and behaviour needs and staff's professional development. The SENCO undertakes bi-annual LET Planning Meetings to identify needs and to plan the support.

Children requiring daily medication to address their needs will have a Health Care plan that will be reviewed with the School Nurse and parents annually. The School Nurse will also provide training at this time. Referral to outside agencies is made through the SENCO.

### **15. Monitoring and evaluating**

The SENCO and SEND governor will meet yearly prior to the Governor's Annual Report being written and the success criteria in Section 3 will be used to assess the implementation and success of the SEN Policy one and will be measured by:

- The graphing of the register of each year group, which will be reviewed on an annual basis to determine the overall progress of the pupils. The aim will be to improve the development of the children so that they can be removed from the register.
- An analysis of all teachers' planning by Subject Leaders / managers / subject leaders ensures that a differentiated approach is taken and that the targets and learning objectives are identified and reflected in planning.
- Parents/carers being aware of individual targets set for children by discussing, receiving and having their views recorded.
- Children being involved in discussing, constructing, reviewing and having their views recorded.

- Individual targets being monitored to ensure that children progress through specific, measurable, achievable, realistic, time-bound targets (SMART).
- Ensuring that outside agencies, where appropriate, have their comments recorded on My Support Plan documents.
- The Governors' Annual Report to Parents shows the success of the policy or any changes needed for the subsequent year.
- The School Development Plan priorities which include the provision for SEND.
- Undertaking a value for money review of our Special Educational Needs funding.
- Any external evaluation or inspection.
- Termly monitoring of procedures and practice by the SEND governor.

### **15.1 Success criteria will be:**

- All planning reflects individual targets and any previously identified need.
- The majority of those children identified and needing SEND support reach their expected target as judged through objective testing and/or teacher's professional judgement and/or no longer need additional support.
- All targets/My Support Plans include written/recorded comments from parents and children, and where necessary outside agency involvement.

## **16. Complaints procedures for SEND**

In the event of a complaint with a child's SEND provision, the child's parents/carers should discuss this with the class teacher. If this proves unsuccessful the matter should be referred to the SENCO. Should the matter still be unresolved the parents/carers should contact the SEND governor. If the complaint remains unresolved the Chair of Governors should be involved and finally the complaint should be taken to the LA and/or Secretary of State.

## **Ridgeway Farm CE Academy Inclusion Policy**

Please also refer to our Equality Information 2014 with reference to this policy

### **Introduction**

At Ridgeway Farm CE Academy we are committed to giving all of our children every opportunity to achieve the highest of standards. We do this by taking account of pupils' varied life experiences and needs. We offer a broad and balanced curriculum and have high expectations for all children. The achievements, attitudes and well-being of all our children matter. This policy helps to ensure that this school promotes the individuality of all our children, irrespective of ethnicity, attainment, age, disability, gender, sexual orientation or background. Our school population has limited social and ethnic diversity and members are taught to value and celebrate difference in others.

### **Aims and objectives**

Inclusion lies at the heart of our School's vision. We actively seek to remove the barriers to learning and participation that can hinder or exclude individual pupils, or groups of pupils. This means that equality of opportunity must be a reality for our children. We make this a reality through the attention we pay to the different groups of children within our school:

- Girls and boys;
- Minority ethnic and faith groups;
- Children who need support to learn English as an additional language;
- Children with special educational needs;
- Gifted and talented children;
- Children who are at risk of disaffection or exclusion;
- Travellers and asylum seekers.

The National Curriculum is our starting point for planning a curriculum that meets the specific needs of individuals and groups of children. We meet these needs through:

- Setting suitable learning challenges;
- Responding to children's diverse learning needs;
- Overcoming potential barriers to learning and assessment for individuals and groups of pupils;
- Providing other curricular opportunities outside the National Curriculum to meet the needs of individuals or groups of children.

We achieve educational inclusion by continually reviewing what we do, through asking ourselves these key questions:

- Do all our children achieve their best?
- Are there differences in the achievement of different groups of children?
- What are we doing for those children who we know are not achieving their best?
- Are our actions effective?
- Are we successful in promoting racial harmony and preparing pupils to live in a diverse society?

### **Teaching and learning styles**

We aim to give all our children the opportunity to succeed and reach the highest level of personal achievement. We analyse the attainment of different groups of pupils to ensure that all pupils are achieving as much as they can. We also make ongoing assessments of each child's progress. Teachers use this information when planning their lessons. It enables them to take into

account the abilities of all their children. For some children, we may need to use the programmes of study from earlier key stages.

When the attainment of a child falls significantly below the expected level, teachers enable the child to succeed by planning work that is in line with that child's individual needs. Where the attainment of a child significantly exceeds the expected level of attainment, teachers use materials from a later key stage, or extend the breadth of work within the area or areas for which the child shows particular aptitude.

Teachers ensure children:

- Feel secure and know that their contributions are valued;
- Appreciate and value the differences *they see* in others;
- Take responsibility for their own actions;
- Participate safely, in clothing that is appropriate to their religious beliefs;
- Are taught in groupings that allow them all to experience success;
- Use materials that reflect a range of social and cultural backgrounds, without stereotyping;
- *Have a* common curriculum experience that allows for a range of different learning styles;
- Have challenging targets that enable them to succeed;
- Are encouraged to participate fully, regardless of disabilities or medical needs.

### **Children with disabilities** (physical, learning, emotional/behaviour)

Some children in our school have disabilities and consequently need additional resources. The school is committed to providing an environment that allows these children full access to all areas of learning. At present we do not have any pupils with physical disabilities however in response to the Disability Act 2001, the governing body reviews annually how the school can be made more accessible for disabled children. Information relating to pupils with learning disabilities can be found in the school's SEN policy.

### **Disapplication and modification**

The school can, where necessary, modify or disapply the National Curriculum and its assessment arrangements. Our school policy is to do this only in exceptional circumstances. The school makes every effort to meet the learning needs of all its children, without recourse to disapplication or modification. We achieve this through greater differentiation of the child's work, or through the provision of additional learning resources and learning support assistants. When necessary, we also support learning through appropriate external specialists. In such cases, teachers work closely with these agencies to support the child.

In exceptional circumstances we may decide that modification or disapplication is the correct procedure to follow. We would only do this after detailed consultation with parents and the Local Education Authority. The school's governor with responsibility for special educational *needs* would also be closely involved in this process. We would ensure that *every* effort had *been* made to provide the necessary support from within the school's resources before considering such action.

Should we go ahead with modification or disapplication, we would do so through:

- Section 364 of the Education Act 1996. This allows modification or disapplication of the National Curriculum, or elements of it, through a statement of special educational needs;
- Section 365 of the Education Act 1996. This allows the temporary modification or disapplication of the National Curriculum, or elements of it.

### **Racism and inclusion**

The school has implemented the recommendations of *The Stephen Lawrence Inquiry.- MacPherson Report (1999)*. The diversity of our society is addressed through our schemes of work, which reflect the programmes of study of the National Curriculum. Teachers are flexible in their planning and offer appropriate challenges to all pupils, regardless of ethnic or social background. All racist incidents are now recorded and reported to the governing body by the Principal. The school contacts parents of those pupils involved in racist incidents. Further details are to be found in the school's Racial Equality Policy.

RIDGEWAY FARM CE ACADEMY  
**SEND TEACHER GUIDANCE PACK 2018**

**Teachers should:**

- ✓ Differentiate in planning for all children.
- ✓ Provide Quality First Teaching and an inclusion friendly environment.
- ✓ Identify pupils with SEND as early as possible.
- ✓ Identify areas children find difficult and plan for these early.
- ✓ Plan lessons to identify and support areas of difficulty.
- ✓ Use appropriate assessment and set ambitious targets.
- ✓ Have high expectations for SEND pupils.
- ✓ Plan for pupils to access all curriculum areas.

**Identifying SEND at our schools:**

- ✓ If you have a concern, use the GRSS Quick Checker to identify the main area of concern. Within GRSS, you will be signposted to a suggestion of strategies to try. Over a 2 week period, you should use the GRSS Assessment and Checklist to keep a record of the strategies you have tried and complete the 'Assess' section of the GRSS Pupil Profile as evidence.
- ✓ If a child continues to make little or no progress or you still have a concern about a child's development or access to learning let the SENCO know immediately by completing the Concern Sheet (Appendix 1).

**A Concern Sheet should be raised if progress:**

- ✓ Is significantly slower than that of their peers starting from the same baseline.
- ✓ Fails to match or better the child's previous rate of progress.
- ✓ Fails to close the attainment gap between the child and their peers.
- ✓ Is not improving despite strategies implemented and evidenced in the GRSS Pupil Profile.

**Steps to take once a Concern Sheet is raised:**

- ✓ Meet with SENCO to Plan and Do next steps using GRSS.
- ✓ Inform parents and share next steps – use a Progress Meeting Sheet (Appendix 2).
- ✓ Put in high quality teaching targeted at their areas of weakness. Teacher to carry out 1:1 as well as high quality TA support (6 weeks) (Refer to Appendix 5).
- ✓ Fill in a Vulnerable Tracking sheet (Appendix 3).
- ✓ Update GRSS Pupil Profile as evidence.

**After 6 weeks:**

- ✓ Let SENCO know results of high quality teaching.
- ✓ Meet with SENCO to Plan and Do next steps using GRSS.
- ✓ Inform parents and share next steps – use a Progress Meeting Sheet (Appendix 2).
- ✓ Put in high quality teaching targeted at their areas of weakness. Teacher to carry out 1:1 as well as high quality TA support (6 weeks) (Refer to Appendix 5).
- ✓ Fill in a Vulnerable Tracking sheet (Appendix 3).
- ✓ Update GRSS Pupil Profile as evidence.

#### After 12 weeks:

- ✓ Let SENCO know results of high quality teaching.
- ✓ Make a decision of next steps:
  - 1) Try another 6 weeks if *some* progress made using GRSS guidelines and suggestions
  - 2) SENCO/Class Teacher to fill in DART form and get support and/or advice from SSENS *if slow or no progress*. Documented evidence from GRSS will be needed to send with the DART or it will be rejected by the SSENS Team.
  - 3) Inform parents at review meeting saying that slow progress and/or low attainment does not automatically mean a child is recorded as having SEN. It may just be a block or slower development in an area. The child stays as 'a concern' until they make progress or outside agencies are involved.

#### After a DART referral:

- ✓ The child will be added to the SEND Register and monitored closely by the SENCO.
- ✓ The Class Teacher and TA plan support and intervention for the child based upon the recommendations in the SSENS report.
- ✓ A 'My Special Target Sheet' (child friendly – Appendix 6) should be written with the child with clear SMART targets; support that will be put in place and when it will be reviewed. Copies of these should be given to the SENCO for monitoring.
- ✓ Class Teacher to meet with parents/carers to share targets and provision plans. Set a date at this initial meeting for the next review.
- ✓ Over the 6 week period, measure the impact support or intervention is having using the Vulnerable Tracking Sheet (Appendix 3). SENCO will check and monitor these at the end of each term.
- ✓ At the review meeting, complete the Review Meeting Form (Appendix 4) and discuss impact/progress and decide on whether to continue, change plan or withdraw support or specialist teaching if child has caught up or back on track. These forms will need to be shared with and signed the SENCO.
- ✓ If little or no progress has been made then SENCO and Class Teacher will put in place a My Support Plan (non-statutory) and a My Support Plan meeting will be arranged.

## Class Teacher SEND To-Do Checklist

### **Children of Concern:**

- Complete GRSS quick checker to identify main need (saved on staff share)
- Monitored by Class Teacher for two weeks
- Quality First Teaching (QFT) in place for two weeks (appendix 4)
- Concern sheet completed and copy sent to SENCO (appendix 1)
- Observation by SENCO organised.
- Request review of provision with SENCO (after 6 weeks)
- Request to raise child at Solution Focused Meeting (SFM) sent to SENCO.
- Request to SENCO for DART referral to outside agencies (if no improvement seen after 12 weeks)

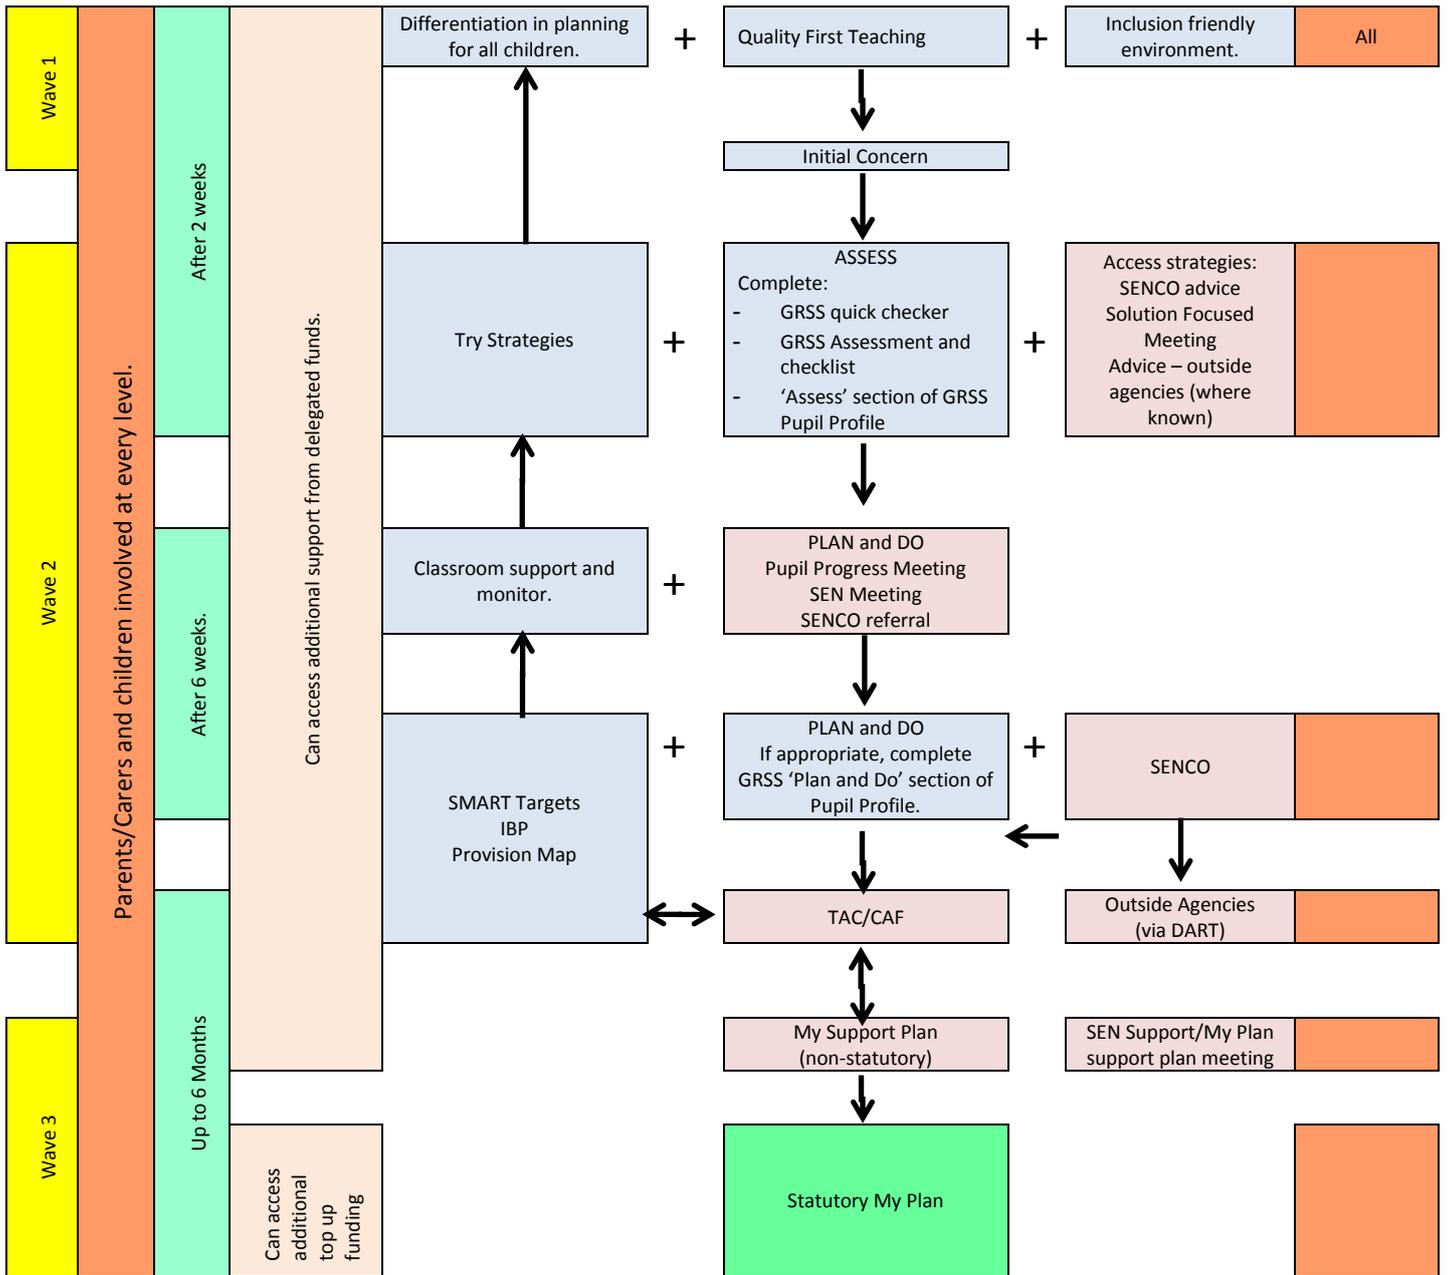

### **Children receiving School Support (SS):**

- GRSS started and updated termly (3 x) (saved on staff share)
- Support recorded on Vulnerable Pupil Provision Map (appendix 3)
- Copy of Vulnerable Pupil Provision Map updated termly and copy sent to SENCO (3x)
- Letter to parents sent informing them of support in place (appendix 8)
- Baseline Assessments (see assessments section in appendix 5) recorded on Vulnerable Tracking sheet
- Termly (3 x ) assessments completed to record progress/impact of intervention
- SMART Targets in place – reviewed every 6 weeks with parents (appendix 2)
- Copy of SMART targets sent to SENCO
- Observation by SENCO organised.
- Request review of provision with SENCO
- Request to raise child at Solution Focused Meeting (SFM) sent to SENCO.
- Request to SENCO for DART referral to outside agencies (if no improvement seen after two terms)
- Request to SENCO for My Support Plan (MSP) (if no improvement seen after two terms following outside agency input)
- Complete 'All About Me' sheet (appendix 7).
- Request to SENCO for EHC Assessment (if no improvement seen after 3 full terms following MSP being in place)
- Update/create Case studies for all CYP working at emerging level (E1, E2 etc...) to record progress.

### **Children with an EHCP/My Plan:**

- GRSS updated termly (3 x) (saved on staff share)
- Support recorded on Vulnerable Pupil Provision Map (appendix 3)
- Copy of Vulnerable Pupil Provision Map updated termly and copy sent to SENCO (3x)
- Letter to parents sent informing them of support in place (appendix 8).
- Baseline Assessments (see assessments section in appendix 5) recorded on Vulnerable Tracking sheet
- Termly (3 x ) assessments completed to record progress/impact of intervention
- SMART Targets in place – reviewed every 6 weeks with parents (appendix 2).
- Copy of SMART targets sent to SENCO
- Observation by SENCO organised.
- Request review of provision with SENCO
- Annual Review meeting paperwork completed (appendix 9, 10 and 11)
- Update 'All About Me' sheet (appendix 7).
- Update/create Case studies for all CYP working at emerging level (E1, E2 etc...) to record progress (appendix 12)

Actions taken to remove barriers and support the child (Quality First Teaching):

Cognition and Learning		Communication and Interaction	
Identified gaps in learning.	Peer support.	Individual visual timetable.	Peer support.
Alternative methods for recording.	Increased use of role play and drama.	Seated with a suitable role model.	Pre-teaching vocabulary.
Word banks, sentence starters, writing frames.	Use of resources e.g. Numicon.	Social stories.	Simplified language.
Simplified instructions.	Visual support.	Individual word banks.	Visual prompts.
Now and Next task board.	Small group support in class.	Specific groupings in class.	Referred to SWASS document.
Social, Emotional and Mental Health		Sensory and/or Physical	
Sitting near an adult/role model.	Clear expectations.	Different coloured paper/IWB etc.	Pen/pencil grips.
Regular positive praise.	Clear time limits.	Coloured overlay.	Modified exercise books.
Regular routines.	Clear choices.	Writing slope.	Pincer scissors, triangular pens etc.
Tactically ignoring minor behaviour.	Class responsibilities.	Enlarged versions of text.	Support with changing if required.
Prepare for change.	Modelling.	Sitting near the front.	Fine motor programme.
1:1 time to build relationships.	Safe space within the classroom.	Use of ICT where appropriate.	Gross motor programme.
Ways to indicate need of support.		Discussion with specialist TA.	Specialist resources e.g. ear defenders.

Name of Child:	Subject:	Date:	Examples/Comments:
Intervention Used (please tick)		Effectiveness in participation in learning (Please circle) 1 = very effective 5 = not effective	
Pupil's name and eye contact established before giving instructions		1 2 3 4 5	
Clear and simple instructions, breaking down longer instructions and giving one at a time		1 2 3 4 5	
Tasks are clearly explained, modelled or scaffolded, and staff check for understanding		1 2 3 4 5	
Key points/instructions are jotted down		1 2 3 4 5	
New learning broken down into small steps		1 2 3 4 5	
Link new learning to what pupil already knows, for example, start a lesson with a class mind-map of what they already know about a subject		1 2 3 4 5	
Specific activities are differentiated appropriately, e.g words for spelling practice, times tables practice, methods of recording		1 2 3 4 5	
There are opportunities for practical and interactive, as well as paper and pencil tasks.		1 2 3 4 5	
Give pupils 'thinking time' or opportunities to work with talk partners before answering a questions, or say "I'm going to come back to you in a minute for your idea"		1 2 3 4 5	
A range of lesson activities are planned to take account of different learning strengths, and practical activities offered where possible, e.g learning from pictures, diagrams, mind-maps, using practical equipment, handling objects, moving and doing rather than sitting		1 2 3 4 5	
Multiple examples of new concepts are provided and staff aim to take these examples from children's own real life experience rather than talking in the abstract		1 2 3 4 5	
A list of key vocabulary for a particular topic or lesson is put up and staff teach the meaning of each word		1 2 3 4 5	
A range of aids and resources is easily accessible to support learning and aid independence, such as letter and number charts, word banks of high frequency and topic words, number lines/squares, calculators, dictionaries, computer and internet access (where appropriate)		1 2 3 4 5	

Visual cues and prompts, visual timetables are used.		1	2	3	4	5	
Staff provide writing frames and templates (e.g writing up a science experiment) to help structure thinking		1	2	3	4	5	
Staff provide prompt sheets: questions to answer, key words to build each section or paragraph around, sentences or paragraphs to put in correct order, paragraph openings, etc		1	2	3	4	5	
Explicit teaching of independent and study working skills is routine. Pupils are encouraged to take charge of their learning and develop strategies that work for them		1	2	3	4	5

## Intervention Programmes

### Wave 1 (Universal):

The effective inclusion of all children in high-quality daily literacy & numeracy lessons – ‘**quality first teaching**’. Lessons are differentiated for pupils. **Teachers should take the lead and teach pupils with concerns.** See appendix 4 for guidance.

Assessments available:

Teachers’ Assessment Pack – all teachers / classes have this pack to help assess general issues.
‘Basic Maths Assessments’ – Essential Keys Document.
WESFORD Screening – dyslexia screener.
Dyscalculia assessment.
Boxall Profile – SEMH needs.
Sensory Integration Screening Questionnaire – sensory processing issues/disorders.
Strengths and Difficulties Questionnaire – Social, Emotional and behavioural difficulties.
SPARKS ‘ABC’ assessment – Fine and Gross motor skills assessment.
GRT <sub>II</sub> - Group Reading Test to get Reading Ages.
Visual Stress Assessment Pack.

### Wave 2 (Targeted):

Small group interventions are used for pupils who may need to ‘Catch-up’ – these children may be withdrawn for group sessions and this support will help children to access Wave 1 teaching. Parents need to be informed that children are having a boost!

<b>Wave 2 programmes</b>
NNS Springboard
ELS (Early Literacy Support)
Year 3 Literacy Support
FLS (Further Literacy Support)
Better Reading

### Wave 3 (Specialist):

Specific targeted approaches for individual children identified as requiring SEN intervention. Provision at Wave 3 is likely to draw upon specialist advice – children’s parents need to be informed that they are having this support.

<b>Wave 3 programme</b>
Accelerated / Accelewrite
Nessy (dyslexia prog.)
WESFORD (dyslexia prog.)
Sound Linkage – Letters & Sounds
Sound Discovery
Catch-up Literacy
Catch-up Numeracy
Word Shark & Number Shark
ELSA support
Sliding in – Selective Mutism
Sensory Circuits Programme
THRIVE

Notes:

The SENCO will have an overview of all these programmes and will be able to point you in the right direction of the sort of programme that might help.

The SENCO will expect a Vulnerable Pupil Tracking sheet to be filled out for all SEND pupils so she can monitor the impact of each programme children start on – please fill these in and let SENCO have the results after each course.

SENCO then fills out an impact report to monitor results over time.

GRSS – this is the provision document – use this to find out whether a child needs to be on the SEND register – fill in the appropriate sections (usually just a tick and the date as the child works through the suggestions for strategies and things to try).

SENCO will help with DART (Single Agency Referral Form) and CAF (Common Assessment Form) documents – these will need to have evidence attached (GRSS).

The Stock Cupboard has loads of great resources for children who have difficulties accessing the curriculum, or for general support – have a look! Please remember to sign out any resources so that we can keep a track.

Remember to keep parents informed at every stage – they can help so much – team work!

Dear Parents of \_\_\_\_\_,

At the beginning of the year we carry out assessments of the children. After considering the information gathered from these we feel \_\_\_\_\_ would benefit from some extra support.

Therefore we propose to offer \_\_\_\_\_ each week to help support \_\_\_\_\_.

These sessions are designed as a booster and we will continue to regularly monitor and review \_\_\_\_\_ progress.

If you wish to discuss this further, please do not hesitate to come and talk to me.

Best wishes,
