THEO THE THEOLOGIAN

THEOLOGY

I explore beliefs, sources and meanings.

WHAT DO PEOPLE BELIEVE?

I investigate where beliefs come from and how ideas connect.

EXPLORE SOURCES

Sacred texts • prayers • stories • traditions

ASK WITH THEO

-  What does this source tell us about belief?
-  What might this text, prayer or tradition mean?
-  Why might people interpret the same source differently?

TRY IT!

Compare two interpretations of the same story.
What is similar?
What is different?

REMEMBER

People within the same religion may understand beliefs and sources differently.
