Expected outcomes: Complete the quiz online.	

Subject: Science

Lesson Length: 1 hour

L.O: To identify signs of Winter

Outline of lesson:

In this lesson, you will look for signs of Winter. You will look at what changes happen across the seasons of Autumn and Winter. After you have watched the video, you could go on a walk to find signs of Winter. You could take some photos of what you have found, draw some pictures or write some sentences.

Challenge: Talk or write about how the season of Spring will be different to Winter.

Link to lesson: <https://www.thenational.academy/teachers/programmes/science-primary-ks1/units/seasonal-changes-autumn-and-winter/lessons/signs-of-winter#video>

Expected outcomes: Write, draw or find signs of Winter.
